**Re: United States v. Howard M. Schoor**  
**Crim. No. 06-964 (DMC)**

Dear Judge Cavanaugh:

Pursuant to my conversation with Scott Creegan, I am submitting this letter in support of Howard M. Schoor's application to modify any travel restrictions currently existing and to thereby permit unlimited travel without the necessity of prior permission from the United States Probation Office. Mr. Schoor has established a residency and is engaged in employment and business in Florida. It is necessary for the Probation Office to issue a "travel pass" each time he goes to Florida or anywhere besides New York and New Jersey. As you recall, Mr. Schoor's passport was returned pursuant to the February 19, 2009 Order of this Court.

This is to further represent that since his sentencing on February 9, 2009, he has fully complied with all the conditions of Probation. He has paid the fine and special assessment imposed by the Court and has completed the 250 hours of community service consistent with the Judgment entered by this Court. Mr. Schoor's Probation Officer, Ms. Monica Martin, has no objection to this Court allowing unlimited travel without prior permission. Ms. Martin can also confirm to the Court that Mr. Schoor has been fully compliant throughout with her office.
